The story goes like this:

After working hard chopping + sawing wood the boys are enjoying a couple of beers together, while the girls are left with the mess the boys left behind.

Beer-stein holding competition

Masskrugstemmen (literally "beer-stein holding") is a traditional Bavarian endurance contest during which contestants must hold a one-liter stein of beer (we used water instead) in one outstretched arm for as long as possible.

Scott

Gunter

Leigh

Kurt

We put a twist on it, as the contestants had to try to hold as many steins as possible (up to 6 steins) ...

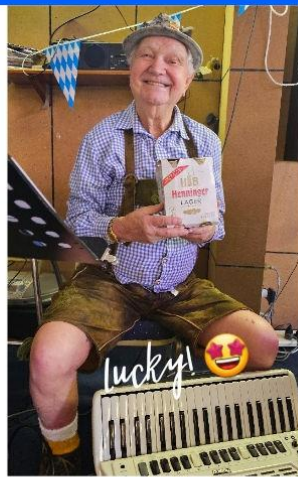

He did it again (winner of the Hammer-Schlagen competition)...

Scott was also the clear winner of the BEER-STEIN holding competition!

what a champion! 👍
