Dear Member/Guest,

HELP NEEDED !!!

As you know, the club is run entirely by volunteers for your enjoyment, to continue the legacy of Hermine Raup, the founder – and ensure our Austrian culture is not forgotten.

Although the club is managed as economically as possible, whilst keeping the prices down to remain affordable for all, we do not make any significant profit. This means that the cost of any improvements, maintenance etc., has to be sourced via grants (most recently - furniture for the verandah, an ice-maker and the new air conditioners).

We are now faced with the prospect of finding funding for the roof repairs which have been quoted at nearly \$14,000. Although we are once again applying for funding, the likelihood of being successful so soon after receiving funding for the air conditioning is minimal, therefore we must find ways to raise the funds ourselves.

In view of this, we are asking everyone for donations AND suggestions for fund-raising.

Please give this some serious thought – we understand of course that the economic climate is presently very poor and there are many needy, but we believe that in these difficult times it is essential we continue our work at the club, a place for fun and laughter where we can all 'switch off' and enjoy food, drinks and companionship for a few hours.

Regards

Roberta Raup
President

Gold Coast Stock Sport Championship

You can watch our Gold Coast Stock Sport teams in action at the upcoming Stock Sport Tournament on the 26th and 27th of July 2025.

What is Stock Sport?

Also known as Icestock - A close cousin of curling and pétanque, ice stock sport (Eisstock in German) is a sport that has been played for centuries in Germany, Switzerland and Austria. Like curling it is played on ice and involves sliding a heavy object (known as a "stock") in the direction of a target. Ice grounds are not always available, so Stock sport can also be played on other grounds such as cement.

STOCK SPORT Is a great social game that anyone can play - young and old.
Why don't you come and join us for a game of STOCK?

Would you like to give it a try?
